However, if you have a large enough group, we can schedule a merit badge workshop for your troop at a convenient time for you..

All Scouts (3 hours)

- Zookeeper for a Day

*This workshop is great for groups that span multiple levels in your scouting program. It does not work toward any particular requirements. It is designed to show scouts what a day in the life of a zookeeper would look like. Some steps are met for some badges, such as "Visit a Zoo!"
