- **What types of food can I bring?**

We do not limit the types of outside food you can bring in for your party. If you need access to a refrigerator/freezer please contact the Birthday Party Coordinator prior to the party to ensure availability.

- **Where do my guests check in?**

Guests will check in at the front of the zoo either on the plaza or inside the gift shop. Look for the "Birthday Party Check-In" sign. They will be required to sign in and will then be directed back to the party space. All guests will need to sign-in, even if they are zoo members.

- **Can we decorate the party space?**

You are able to tape or hang items in the party space to make it more personal. We just ask you to take down the decorations when you leave. Please bring your own decorating supplies. You are not able to use tacks, nails, or packing tape.
