

# A week of Camp at Chattanooga Zoo

I'm going to summer Camp at  
Chattanooga Zoo!

when I arrive monday morning, my grown up and I will walk up to the gate to check in with zoo staff.

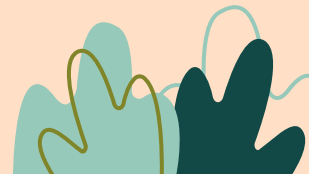

Check-In is where I will get my t-shirt and nametag, and meet my counselor!

I'll have free time until everyone is checked in: I'll play games, color, and draw with chalk!

Everyday, I'll spend time exploring the zoo, meeting animals, doing fun activities and going on adventures.

we'll eat lunch  
and have recess  
time everyday.

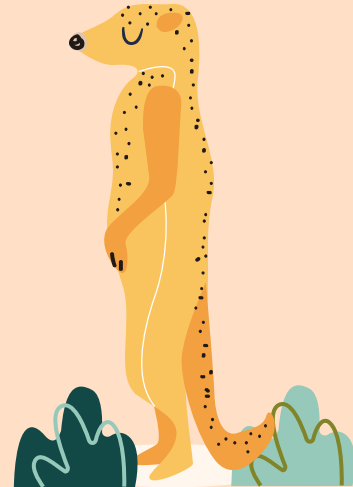

Please pack an extra  
snack for snack time.

# Field Trip Day!

on this day, I'll need to remember to wear my camp shirt.

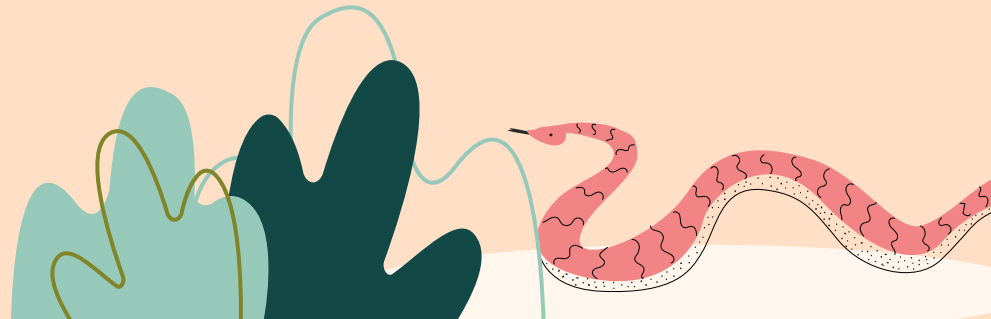

# Pool Day!

I'll need to come to the zoo wearing my bathing suit, and pack a towel, sunscreen and closed-toed shoes for after the pool.

After Monday morning, drop off and pick up will act as a drive-through. Camp staff will walk campers down to their cars, where they'll be parked in a car line.

we're so excited to see you!
